SKI TOURING - ARGENTIERE GLACIER

Duration: 2

Level: ▲▲▲▲▲

Price from: 375 €

The Argentière area is a unique place. Easily accessible from the Grands Montets ski area, it is surrounded by several summits creating a stunning atmosphere. On the northern side, from the Verte to the Dolent, vertiginous and icy slopes exceed one thousand meters of height. On the southern side, the Chardonnet and the Aiguille d'Argentière take centre stage over sharp rocky ridges. The refuge d'Argentière is the ideal basecamp to enjoy the atmosphere and the huge potential of this area.

The unique setting of the Mont-Blanc massif, with its rocky peaks and glaciers, has always defined the reputation of the Chamonix valley and its mountains. To fully immerse yourself in this dramatic environment, we have set a series of ski tours that complete this trip. These experiences will enable you to explore the [Col du Passon](#) and the [Tour Glacier](#), or venture to the renowned [Vallée Blanche](#).

ITINERARY

Day 1

Following the fire that hit the cable car of les Grands Montets in 2018, the classic itinerary is modified. We start from Bochart lift (2 766m), we join Lognan glacier (2 700m). We skin up to Rognons glacier (3 050m) through the Rachasses pass. We ski down to Argentière glacier. The Argentière glacier is mostly flat at this stage, making the ski tour to the refuge short and easy. We stay overnight at the Argentière hut (2 771m). The view over the impressive north faces rising high above Argentière glacier is stunning!

Vertical ascent : 575m / Vertical descent 750m

Day 2

Departure towards the Col d'Argentière (3 552m). During your way up, enjoy the panorama on the legendary North faces of the Argentière Glacier: Triolet, Courtes, Droites and Aiguille Verte, the view is breath taking. The way down follows the same itinerary, return in the valley in the mid-afternoon.

Vertical ascent : 780m / Vertical descent 2300m
